### COCKTAILS

#### OUR CREATIONS

##### AMBRE NARGUILÉ

A smoky, multi-dimensional reimagining of the Negroni. Artisanal mezcal provides a robust backbone, seamlessly woven with opulent vermouth, botanical bitters, and a whisper of chocolate that lingers on the finish.

40 RON

##### ORCHARD NOIR

A noir-inspired tribute to the classic Boulevardier. Dark pomaceous notes meet the velvety depth of premium vermouth, grounded by a structured bitterness. A smooth, contemplative cocktail for the discerning palate.

40 RON

##### TOMATO MARTINI

An avant-garde evolution of the Martini. This clarified expression distills the savory essence of vine-ripened tomatoes into a crystal-clear elixir, balanced by a sharp, sophisticated acidity and a poised, minimalist finish.

42 RON

##### ORANGE BAKED SUNSET

Capturing the golden hour in a glass. A botanical gin base is layered with the caramelized warmth of oven-baked citrus and softened by ethereal floral infusions. Elegant, serene, and crafted for the luxury of a slow evening.

45 RON

##### PASSION OBSESSION

A two-layered cocktail: an exotic base with delicate notes, topped with a tropical foam of passion fruit and banana, finished with a subtle hint of smoke.

45 RON

##### SECRET COCKTAIL

Unlisted. Unspoken. An ephemeral creation dictated by the bartender's intuition, the night's energy, and seasonal inspiration. Surrender to the craft. Trust the process.

50 RON
